Gentlemen:

Yours of the 20th to the Marsh Stencil Machine Co. has been referred here. I have mailed to you today one tip for the Marsh Stencil Machine. *Brush.*

If you have a tip that is too small to fit our holder it is not a Marsh tip and as we have not changed the size of our holder or tip since it was first made in 1918, therefore the new tip that you have would not be of any use to us.

Yours very truly,
